2/11/57

Dear Mrs. Russ,

The questions you ask are good ones, and I think you will find I heveasked them and answered some.

One the bullet path, I agree it doesn't seem to work out. The government merely saysx instead that it does.

But if people keep asking, I am sure we'll have the truth in a lot less than 75 years.

Sincerely,

Harol d Weisberg
